Letter of commitment

1. Changzhou Tongda Medical Appliance Co., LTD confirms the technical and professional liability and capability of the representative company in the fields of technical support, installation, startup training, testing for acceptance and calibration and operation of equipment and after sales services.

2. Changzhou Tongda Medical Appliance Co., LTD accepts the responsibility regarding all after sales services and support of the equipment, equipment-related consumable and semi-consumable accessories for the machines sold to Iran for duration of at least 5 years after installation.

3. Changzhou Tongda Medical Appliance Co., LTD undertakes to follow all regulations and obligations specified by CE, FDA Procedure and other competent authorities and regarding the post market phase for medical equipment sold to IRAN.

Note: It is necessary to mention that in special cases, depending upon the type of product, it is possible to extend this duration upon agreement.

4. In case of transferring our representation in IRAN, this company undertakes to inform the Department of Medical Equipment of the Ministry of Health, immediately and in the form of written documentation, and take the necessary actions towards continuously supporting the previously sold

When it comes to termination of current authorization contract or changing representation, the new representative company which has been appointed by the company shall enjoy the capability in providing after sales services in conformity with products under representation (and in accordance with number of sold products manufactured in Iran until its termination).
